

DAY IN DAVENPORT

Spains Ankle.—Miss Bertha Davis, 820 West Third street, sprained an ankle badly while getting on a Third street car Saturday that she could not walk. She was taken to Mercy hospital in the city ambulance.

Fear of Rabies.—An examination will be made to detect any evidence of rabies in the dog owned by Guy Harkness, 2009 Iowa street, which last week severely bit the 8-year-old son of Mrs. H. J. Topp, No. 8 Walling court. The boy was at play when attacked by the dog.

Forfeits \$1,000.—Joe Miller indicted by the September term grand jury on a charge of larceny from person, failed to appear for his hearing at 2 o'clock yesterday afternoon before Judge Donegan and his bonds of \$1,000 were forfeited. Miller was charged with picking the pocket of Charles Haines at the Rock Island depot, while the latter was sleeping. The bond was put up by relatives of the accused.

To Enter Race.—John G. Dutcher, former supervisor of Scott county, has been urged by his friends to enter the race for member of the state board of control made vacant by the death of John F. Wade. The place will be filled by a democrat, as the late member was of that party. A movement has been started boosting the candidacy of the former supervisor and Governor Clarke will be urged to appoint Mr. Dutcher.

Fire at Grocery.—A defective furnace flue was the cause of a fire at the grocery store of Schaeffer & Deardorff, 2304 West Second street, about 3 o'clock Sunday afternoon, and caused a loss of about \$100. It was entirely covered by insurance. The blaze started in the furnace flue, and burned the side of the house. It was extinguished about 30 minutes later.

American Road Congress.—At a directors' meeting of the Davenport Automobile club Sunday it was decided to send delegates to the American Road congress which meets in Detroit next week. L. G. DeArmand was selected as such delegate. The enterprise displayed by the above association in having Davenport represented

at this important gathering is most commendable.

Losses \$127.—T. E. French, 529 Western avenue, manager of French's Express line, lost a pocketbook containing \$127 somewhere between Western avenue and Leonard street Saturday afternoon. The money has not yet been recovered.

Pays \$10 For It.—Frank Connors of the Brunswick ball team was fined \$5 and costs by Magistrate Roddewig yesterday morning for hitting Ed Blocker of the Crook Bros. team on the hip at the close of the game at the Three Eye park. The scrap followed an argument about Connors not getting a hit and the exchange of uncivilized epithets. Magistrate Roddewig remarked that the only hit Connors evidently got was the one he landed on Blocker. Blocker's hip necessitated the services of Dr. Barwald with a needle and thread.

Norwood Travels.—Secretary Norwood of the Commercial club left Sunday for Omaha where he will attend the fifth annual convention of the Central Association of Commercial Executives. From Omaha Secretary Norwood goes to St. Paul to attend the eighth annual convention of the American Association of Commercial Executives, Thursday and Friday of this week. The St. Paul meeting will be attended by over one hundred secretaries from commercial clubs all over the country from Seattle to New York and from New Orleans to Calgary, Canada.

Politician to Speak.—Claude R. Porter, the well known Iowa democratic politician, prominently mentioned as a candidate for United States district attorney of Iowa, will be the speaker at the opening of the Davenport Technical institute, the educational department of the Y. M. C. A. The opening will take place next Monday evening, Sept. 23, in the Y. M. C. A. auditorium. The officers of the Y. M. C. A. consider themselves exceedingly fortunate in securing so strong a speaker as Mr. Porter. He has many friends throughout the state and is well known in Scott county.

Sunday Court is Held.—Magistrate Roddewig held Sunday court to dispose of the cases against three sales-

New York, Sept. 22.—John Purroy Mitchell, fusion candidate for mayor of New York, although a democrat, is receiving some of his strongest aid from republican and progressive leaders. It is not unlikely that his campaign manager will be a man of opposite political faith.

Among those mentioned as possible managers of the fusion campaign is William H. Hotchkiss, former chairman of the progressive party in New York. Hotchkiss is exerting all his influence in behalf of Mitchell's election.

Others who are mentioned as possible managers of the fusion campaign are Henry L. Stimson, John H. Hammond and Herbert Parsons.

Betting is now even on the outcome of the mayoralty contest.
